

(Confirmation Letter to Group Leaders)

Date

Group Leaders Name
Street Address
City, State, Zip

Dear (Group Leader),

Thank you for volunteering to be a group leader for our Save Our Farm Youth (SOFY) day camp on (day of week), (month day, year).

You will be responsible for keeping a small group of participants together (eight to ten children), and to help keep the camp organized and litter free. You are the participants' leader, but others will be available to assist you if a problem arises.

In case there is spare time between farm safety activities, we encourage you to come prepared to play a couple of short games or perform other group activities to keep your group occupied during this time.

Camp will be held at (place and location/address). Please arrive at (time) on camp day to meet with us briefly before the day camp begins. Please let us know in advance if you cannot help us on camp day by calling (phone number).

We look forward to working with you.

Sincerely,

Save Our Farm Youth Camps are sponsored in part by: Easter Seals South Dakota, Inc., South Dakota State University Cooperative Extension Service, and Avera Rural Health Institute.
