Dear (Injury Victim's Name):

A special thank you for attending our Save Our Farm Youth (SOFY) day camp on (day of week), (month day, year). We know it was not easy to share your experience, but we want you to know that your discussion had a positive impact on the participants. The firsthand experiences you shared with participants instilled in them how important it is to practice farm safety every day. Your discussion of your experience punctuated our day's instruction with a health dose of realism. We do greatly appreciate the time you took to help us.

Thanks again for everything.

Sincerely,

Day Camp Coordinator(s)
